

## JULY BLOCK OF THE MONTH EYE SPY

All seams are one quarter inch.

Take a patterned 6.5 x 4.5 eye spy piece and add a 1.5 x 6.5 plain piece on both long sides of the eye spy piece.

Do that to 4 eye spy pieces.

Arrange 2 of the small blocks so that you have the plain strips on one block horizontal and one other vertical and sew them together on the vertical strip. Do the same for the other two blocks.

Then join the two halves together with the 6.5 x 1.5 plain pieces meeting in the centre of the block.

The finished block will be 12.5 inches square

Please do not trim the finished block

Thank you for participating in the Block of the Month.
