

Patience - April BoM 2021

Kit contains:

- 4 x 4in Squares
- 3 pairs of 4x2 ½in Rectangles
- 1 pair of 7 ½ x 2 ½in Strips

The block is completed by:
 creating two identical large rectangles,
 rotating one of them 180 degrees,
 then sewing them together to form a square.

The suggestion is to do each step twice with the same fabric, so the small rectangular pieces end up in the same place in the pieced large rectangles.

| | |
|---|---|
| <p>1. Sew a rectangle piece to one edge of a square piece. Press seam towards square.</p> |  |
| <p>2. Sew the other two different rectangle pieces to opposite ends of another square piece. Press seam towards square.</p> |  |
| <p>3. Sew the strip to the top of the piece created in Step 2. Press seam towards strip.</p> |  |
| <p>4. Place the piece created in Step 1 (with the square at the top) to the left of the piece created in Step 3 (with the strip at the top). Sew them together. Press seam towards square.</p> |  |
| <p>5. When both large rectangles are completed, Place one with the square in the top left corner, the other with the square in the bottom right corner. Sew them together. Press seam OPEN.</p> |  |

Please do not trim the finished block.
