Following the grid stitch the strips in the following order from left to right.

1. Strip 1 - Sew C1 8 ½ inch strip to a C2 4 ½ inch strip
2. Strip 2 - Sew C2 2 ½ inch square to a C3 4 ½ inch strip. Join this to a 6 ½ inch C1 strip with the 2 ½ inch square positioned at the top.
3. Strip 3 - sew a C1 2 ½ inch square to a C3 2 ½ inch square. Join this to a C4 4 ½ inch strip ensuring that the C1 square is positioned at the top. Then join a C1 4 ½ inch strip below the C4 section
4. Strip 4 - Sew C1 4 ½ inch strip to a C4 2 ½ inch square ensuring C1 is at the top. Sew a C5 4 ½ inch strip below the C4 2 ½ inch square. Then sew a 2 ½ inch square to the bottom of the strip/
5. Strip 5. Sew a C1 6 ½ inch strip to the top of a C5 2 ½ inch square. Then sew C6 4 ½ inch strip below this to the bottom of the strip
6. Strip 6 - Sew a C1 8 ½ inch strip to the top of a C6 4 ½ inch strip

Now join the strips together in order with row 1 being on the left. Ensure that when joining a row that you are nesting the seams that meet.

How easy was that !

This would be a great quilt block to use up all those jelly roll strips. Or binding pieces.

Have fun with it.
