

Crooked Rail Fence Variation - Jul BoM 2021

Kit contains:

- 2 coloured 6 ½ x 2 ½ in Rectangles
(Blue/Red/Green)
- 2 floral 6 ½ x 2 ½ in Rectangles
- 1 brown 6 ½ x 2 ½ in Rectangle
- 1 Blue print 8 ½ x 2 ½ in Strip

The block **should not** end up as a perfect square. Only trim where indicated below.

<p>1. Place each coloured rectangle on a floral rectangle with right side facing up. (2 stacks created)</p>	
<p>2. Slash each of the two stacks lengthwise, using different angles for both. (4 stacks created)</p>	
<p>3. Match the top coloured piece from the 1st stack with the bottom floral piece from the 2nd stack. Match the remaining pieces from the 1st stack and 2nd stack. Do the same with the 3rd and 4th stack. (4 rectangles created)</p>	
<p>4. Place the two pieces of each new rectangle right sides together along the diagonal. Sew them together and press seam towards coloured fabric.</p>	
<p>5. Rearrange the new rectangles to alternate coloured fabrics. Sew the first two rectangles together and the last two rectangles together. Sew the two newly formed rectangles together. Press seam towards coloured fabric (1 block)</p>	
<p>6. Place the brown rectangle face down at an angle at the bottom of the block, aligning the floral corner. Sew 2 ¼ in from the edge of the brown rectangle. Trim to the edge of the brown fabric, press seam.</p>	
<p>7. With the brown rectangle at the bottom, place the blue print strip face down along the left edge of the block. The seams will NOT match, so just ensure fabric from the block below is visible along the edge. Sew 2 ¼ in from the edge of the blue print strip. Trim to the edge of the blue print fabric, press seam.</p>	

Please do not trim the finished block.
