

BoM for January 2022: Two from One

Idea based on a free pattern from

<https://www.fatquartershop.com/media/wysiwyg/pdf/LayersofCharm.pdf>

We are using two identical donated Moda fabric Layer Cakes (10" square) and a variety of plains from the CQ stash (5" square).

Piecing Instructions

NB: When sewing with a "pinked edge" the true 10x10 is measured at the tip of the pinking

1. Draw a diagonal line on the wrong side of the 5" charm squares.
2. With right sides facing, lay a 5" square on one corner of a 10" square. (NB: the 'pinked edge tip' will be just covered / line up exactly with the solid edge of the plain.)
3. Stitch on the drawn line
4. To make a bonus half square triangle (HST): Draw a second line a ½" away from the stitched line.

5. Stitch on that second drawn line
6. Cut between the two stitched lines to separate the blocks – leaving a ¼" seam on each one
7. Repeat the above steps with the second 5" square on the diagonally opposite corner

8. For both blocks, gently set, then press seams towards the patterned fabric. (ie avoid the risk of stretching the bias seams with a sliding ironing movement)

9. Please do not trim. Thank you for being involved in making Community Quilts BoM.
