

XMAS Tree Block - Feb BoM 2022

Kit contains:

6 x 2" Tree Strips

5 x 2" Background Strips

2 Background Pieces 3.5" x 4 ¼"

1 x 2" Trunk Strip

The block **should** end up as a 12 ½ x 9 ½ rectangle, but do not trim to size.

1. Cut all background strips in half (NOT the 2 large pieces) and place in two piles.	
2. Sew the largest background strip to the smallest tree strip. 3. Sew the next largest background strip to the next smallest tree strip. 4. Continue in this pattern until one background pile is complete. 5. Press all seams towards tree or away from tree.	
6. Repeat with the other background strip pile. 7. Press all seams in same direction as before.	
8. Sew the strips in pairs, starting with the top two. 9. Press seams in the same direction.	
10. Sew first pair and last pair to middle pair. 11. Press seams in the same direction as with the pairs.	
12. Sew 2 large background pieces either side of the trunk strip. Press seams in same direction as tree strips.	
13. Sew strip trunk piece to bottom of tree piece. Press seam in same direction as seams on tree piece.	

Please do not trim the finished block.
