

Chandelier Block – Gwen Parry

Free pattern designed by Lella Boutique. There is a very good YouTube presentation by Missouri Star Quilt Company. This is a very easy block to sew but when set on point it makes an interesting quilt top. Very good pattern for charm squares or for a scrappy quilt.

Your kit contains enough fabric to make 2 blocks to make efficient use of fabric. Use $\frac{1}{4}$ " seam throughout.

1. Cut the coloured pieces into 3 accurate 5" squares.
2. Cross cut one of the 5" squares into 4 accurate 2 $\frac{1}{2}$ " squares.
3. Cut the white into 4 rectangles 2 $\frac{1}{2}$ " x 5" and 4 rectangles 2 $\frac{1}{2}$ " x 7".
4. Sew a 2 $\frac{1}{2}$ " square onto one end of each 7" rectangle.
5. Sew 5" strips onto the left and right sides of both 5" squares.
6. Sew the 7" strips onto the top and bottom of the 5" squares with the coloured squares at opposite corners.

Completed fabric block should be approx. 9", but do NOT trim the block.
