## SKILLS

Quilting is more than a hobby for me. It's a passion. I enjoy creating my own designs, because solving the associated challenges is very satisfying. Often fabrics and threads that are not considered traditional feature in my quilts. Colour, texture, and embellishment are important elements. Workshops are technique based and participants are encouraged to try something new and ask themselves, "What if?"

## WORKSHOPS

- **Get S.E.T. Go!** - a technique-based workshop exploring an assortment of simple embellishments.
- **Free Wheeling Around the Curves** - explore the technique of free-hand cutting and curved piecing.
- **Curved Flying Geese** - learn to make your own Flying Geese twist, turn, or fly in any direction.
- **Serendipity** - design your own foundation piecing pattern.
- **Quilting from the Right Side of the Brain** - a technique-based workshop focusing on abstract composition.
- **Beautiful Butterflies – Marvellous Moths and/or Fabulous Fish – Sensational Shells** - start with a simple outline drawing.
