SKILLS

I was attracted to machine sewing before my legs were long enough to treadle my grandmother's old Singer! All my workshops have been taught in Kalgoorlie and other country towns. Supporting people to learn how their sewing machines work and easy tips and tricks to cutting, piecing, and quilting is very rewarding.

WORKSHOPS

BEGINNERS PATCHWORK

- Beginners Patchwork
- Get to Know Your Sewing Machine
- Poppies
- Stack and Slash Sudoku Quilt
- Signature Quilts

BEGINNERS MACHINE QUILTING

- Machine Quilting for Beginners
